

Splinter Carvers

The Splinter Carvers is a sub-group of the Tennessee Valley Wood Club that is focused on wood carving of all types. The Carvers range from beginner to expert. The Carvers meet twice a month to share information about every aspect of wood carving as they work on personal projects or occasionally a larger group carving project. The Carvers support community art exhibits and provide wood carving demonstrations. Annual seminars / workshops featuring well-known carving instructors are hosted to broaden the Club's knowledge and to promote awareness of the Carvers.
